PRINCIPALS DESK

"The function of education is to teach one to think intensively and to think critically. Intelligence plus character that is the goal of true education".

• *Martin Luther King, Jr.*

Fr. Joy Vattoly CMI

Our aim is to produce excellent professionals ready to serve the corporate sector with exemplary stamina, courage, compassion and devotion to duty, who will make our society something better in the years to come.

It has rightly been said by Margaret Mead that "Children needs to be taught how to think, not what to think." Our school conducts an array of activities throughout the year bring out all these skills among children.

The school magazine is a mirror reflecting the creativity of young minds of the school. I extend my warm wishes to the staff and students to continue the journey on the road of excellence with the motto "Learn, Live, Lead"

Wishing you the best for scaling bigger success and achieving newer heights in the coming days.

School Reopening

School open days provide a unique opportunity to experience what life is like at a potential School. During the opening day prospective parents and pupils are able to visit classrooms meet staff members and will have a talk to the peoples on a tour of the school.

Opening day is the day for the students to get familiar with the school, teachers and friends. For this our school took the initiative and made a memorable day for the parents and students both.

The Pupils were very much excited to see the cartoon characters at the school gate and were happy by the warm welcome by the teachers. The day was full of excitement for the students as well as for all.

CONVOCATION

The kindergarten convocation is the culmination that marks the new journey of a child in school in which they will be spending good time experimenting and exploring new ideas and things for shaping themselves into tomorrow's leaders.

A kindergarten graduation is such a special moment in the life of a child, making a transition from primarily play-focused learning to nursery school and pre-kindergarten.
